We asked parents - What are we doing well?

- Supportive and improved communication through letters.
- You're working really hard in pushing the children to give children a great start towards a bright future.
- Communicating with parents, creating a fun and friendly environment for the children.
- Keeping parents informed of changes and updated on the progress of the children.
- Giving children more opportunities to learn new skills.
- I like the range of clubs that are provided.
- Teaching and Supporting the children as it should be done.
- The Learning for Life sessions are amazing.
- My children come home and talk about their learning.
- The children have also commented how great the school is and want to go to school every day.
- Expectations for behaviour are high and consequences have had a big impact in the classroom.
- Knowledge organisers and learning goals have been very helpful for both parents and children. Overall, I am very happy with my children attending Beaumont School and have recommended it to other parents. Thank you for all your hard work.
- Every area, meal times, after school clubs, school start/finish times, communication, newsletters and most certainly the website!
- I find the admin team super helpful so thank you for being so patient and informative. What a great school and great team!
- Dojo incentives to get children to read is great, it motivates them to pick up a book every day.
- Implementing positive changes.
- Home learning is just right, too much previous years.
- I really like that the children aren't allowed to leave at the end of the day until a parent is spotted.
- I like the use of Twitter for sharing learning ideas.
- I like the fact that children are encouraged to develop good morals and greater focus on life skills through Learning for Life.
- Creating an atmosphere of enjoyment and excitement for learning.
- Encouraging reading, clubs, constant need to improve.
- Engaging parents and children to achieve high standards are expected.
- Children being at the centre of everything you do.
- Supporting parents so that we can help our children.
- The new introduction to comprehension at an earlier age this year.
- My child is happy and challenged at school, she comes home enthusiastic about her day.
