# What will my child be learning this year?

Each half term, your child will come home with their class curriculum overview. These are also on our school website on your child's class page.

*This will give you all the information you need to know about what your child is covering that half term.*

**Knowledge organisers** are also available electronically but they are sent home as a paper copy too. These are great for helping your child to learn topic specific vocabulary. Re-visiting their knowledge organisers frequently will really help to engage your child in their current topic and help them to re-call facts and figures!

# Year One timetable

**Monday and Wednesday** are our P.E days. Please refer back to our school uniform policy about our expectations for how the children should be dressed for P.E.

## Physical Education Kit

*Black trainers, no jewellery and hair tied up are non-negotiables.*

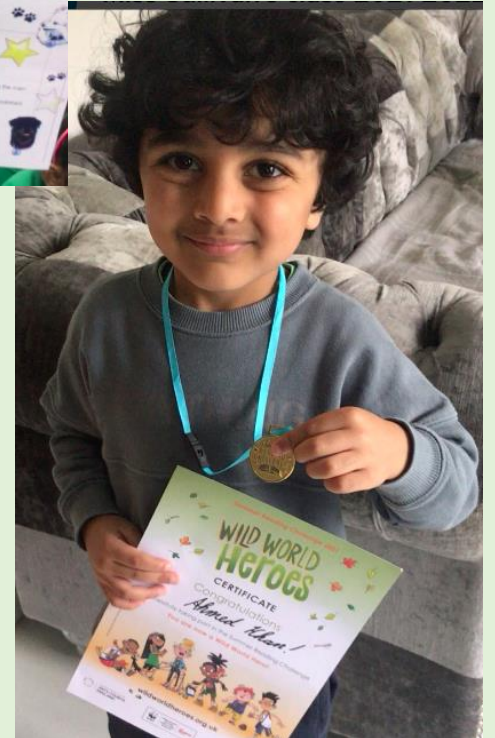

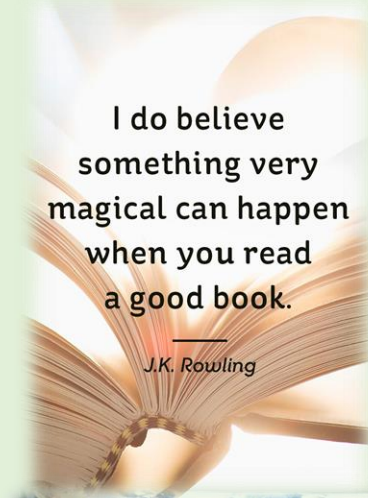

**Home learning** will be sent out, via Class Dojo, on a Wednesday and is expected to be completed by Wednesday of the following week. A spelling test will happen each Wednesday. Reading books are to be handed in on Monday and will aim to be changed by Wednesday.

Please let me know if your child is struggling with anything at home, and I will do the same if they are struggling in class. This way, we can work together to help your child as we all want the very best for them.

# Beaumont is a **READING** school!

Children need to be accessing **Bug Club** numerous times a week. We also encourage children to read an 'actual' reading book too and **5 dojo points** are up for grabs if your child has read 5 times during the week.

Your child also has access to our class library and the whole school library which is undergoing a re-vamp this year so watch this space for new furniture, books and comfy places to sit and read!

***Bed Box winner announced during EVERY Friday celebration assembly!***

# Phonics Screening Check

The phonics screening check will take place during the summer term.

The children will be asked to read 40 words some of which will be made up alien words.

# Things to work on at home

- **Reading and spelling first 100 high frequency words**
- **Spelling the days of the week.**

- **Counting to and recognising all numbers to 100**

# IT'S GOOD TO BE GREEN AT BEAUMONT!

Every day is a new day!

Children start on green everyday and we want every child to stay on green throughout each day! Your child will receive dojo points for staying on green! Mrs Postle likes to randomly come and check classes to see if everybody is on green and, if they are, the school bell chimes 3 times. Children are chosen to ring the bell in Mrs Postle's office.

**Blue** – stop and think.

**Yellow** – warning, behaviour is logged and phone call home to discuss.

**Red** – we don't want ANY reds at Beaumont.

***Learning For Life (Friday afternoon) will be missed if a child receives a red card OR three yellow cards in a week.***

Children can move  
back to green in the day

# ClassDojo

Children can receive dojo points for lots of different reasons and when your child reaches 50 dojo points, they will get to visit Mrs Postle for a Head Teacher sticker. Your child will then aim to get 100 Dojo points and so on and so on.

Children work hard each week to demonstrate our school character characteristics such as teamwork and determination. During our Friday celebration assembly, a child from each class will be chosen for displaying a particular characteristic.

# SNACKS

*All taken from our food policy which can be found on our school website.*

## **Snack**

Reception and Key Stage 1 classes include a morning break time snack of fruit or vegetables for all children. We take part in the Government initiative to provide all infants with free fruit and vegetables during the day. Key Stage 2 children are encouraged to bring in a healthy snack.

## **Packed lunches**

Many children bring a packed lunch to school. Parents are requested not to send in foods such as thickly covered chocolate biscuits or any foods which are high in sugar, fat or salt. We also insist that nut or nut products (although they can be very healthy) are not included in a child's packed lunch because of the danger to other children with allergies.

## **Water for All**

Water is freely available throughout the school day to all members of the school community. Children may drink water at any time during the day using a clean bottle brought in from home on a daily basis.
