### The School Lets Me Know How My Child Is Doing

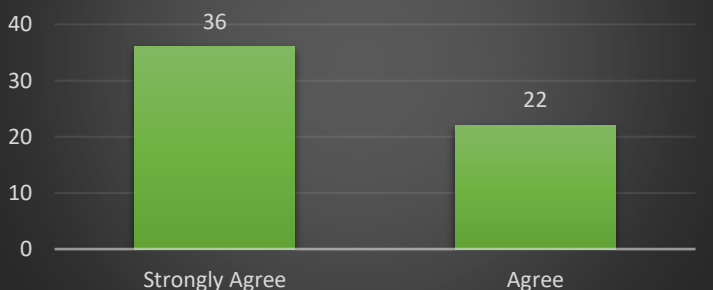

### There Is A Good Range Of Subjects Available To My Child At This School

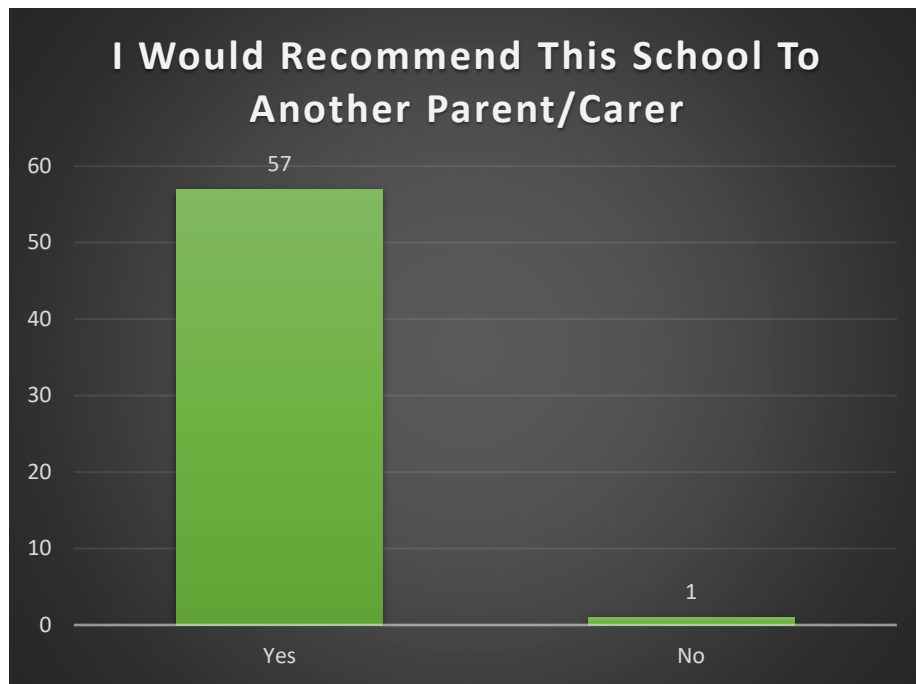

### My Child Can Take Part In Clubs And Activities At This School

### The School Supports My Child's Wider Personal Development

What Is The Reputation Of The School In The Community? Have You Any Thoughts On How We Can Develop That Reputation?

I think the school is well thought of. Building relationships with secondary schools and other local primary schools is great.

Very good. Popular choice. Keep doing what you are doing

My child has grown into a confident and curious learner which speaks a ton about Beaumont. The teachers are amazing. My child looks forward to school everyday. Bug club has helped her to achieve her reading target. The new library is a great edition. So glad you developed it.

Introducing meta mindset & learning pit is fantastic in creating positive attitudes towards different situations that can be practically applied by the children's' current & future lives.

What Are We Doing Well?

EVERYTHING!

Clubs, communication on dojo and parent app

## How Could We Do Better?

Your Comment	Our Response
Look at the children's diversity info in the school and celebrate their occasions/ festivals so they feel part of a wider community and can celebrate alongside their friends. For example for Christmas there were many fundraising activities such as non uniform days, Christmas party, different classroom learning activities centred around Christmas themes, raffle and play which parents were invited to.	We have plans to have events around Diwali and Eid this year. The PSA are already looking into these special times of year.
Everything is already amazing as it is!	Thank you!
I think it would be valuable for parents to be invited into school more to take a more active part in their children's learning by attending stay and learn sessions with their child.	We are looking into have more parents in school on occasions, as we did in July. Watch this space!
Sometimes there is a lot going on with PSA/ school events and sometimes it can be tricky to keep up eg. cake donations, non uniform days, money donations, raffle prize donations happening in close proximity to each other.	We understand there maybe a lot on at certain times of the year. Everything is optional and there is no pressure, however we try to give everyone lots of advance timings. We will do our best to try not to do too much in a short periods.
More consistent points on Dojo	We have had a discussion as the Senior Leadership team on how we can ensure a more consistent approach to Dojo point but each teacher has their own style and they sometimes may praise a child in Y6 differently than a child in Reception.
Can school please provide bit more structured report on the progress. With comments of different subjects were they doing good and where he/she need more help/assistance. As this will help parents with more focused home learning.	The reports that we provide are devised due to the DFE workload agenda and inform parents of what they need to know regarding progress and achievement. However, we have an open door policy if you ever have an questions, just make an appointment to see the class teacher.
