

Beaumont Primary School Positive Behaviour Policy

General Philosophy

Beaumont promotes a high standard of behaviour and an atmosphere where all members of the school are valued as individuals. We are committed to creating an environment where exemplary behaviour is at the heart of productive learning. Everyone is expected to maintain the highest standards of personal conduct, to accept responsibility for their behaviour and encourage others to do the same. As members of our community, we adhere to our school three rights: "The right to learn, the right to be safe and the right to be respected." The school believes in the development of self-esteem, respect for others and self-discipline. We expect all members of the school community to ...

'Treat others as you would like to be treated yourself.'

At Beaumont we aim to:

- provide a safe, comfortable and caring environment where optimum learning takes place;
- provide clear guidance for children, staff and parents of expected levels of behavior;
- use a consistent and calm approach;
- ensure all adults take responsibility for managing behaviour and follow-up incidents personally;
- ensure all adults use consistent language and clear structures to promote positive behaviour;
- Use restorative approaches.

Purpose of the behaviour policy:

- to provide simple, practical procedures for staff and children that:
- foster the belief that there are no 'bad' children, just 'bad choices';
- encourage children to recognise that they can and should make 'good' choices:
- recognise individual behavioural norms and respond appropriately;
- promote self-esteem, self-discipline and tolerance for others;
- Teach appropriate behaviour through positive intervention.

All staff will:

- take time to welcome children at the start of the day;
- always pick up on children who are failing to meet expectations;

- always redirect children by referring to our three rights; 'The right to learn, the right to be safe and the right to be respected."
- use consistent language and clear structures to promote positive behaviour;
- deal sensitively with children in distress, listen to them and deal with any incident appropriately;
- play an active part in building up a sense of community and will apply the agreed standards of behaviour consistently;
- be alert to signs of bullying and racial harassment and deal firmly with such problems, in line with school policies;
- model the type of behaviour we expect to see and is acceptable;
- Record any incident of racial harassment and alert the Head teacher and other SLT staff.
- Receive regular training on behaviour and revisit the policy regularly.

The Head teacher and The Senior Leadership Team will:

- be a visible presence around the school;
- regularly celebrate staff and children whose efforts go above and beyond expectations;
- encourage use of positive praise, phone calls/texts/notes home and certificates/stickers;
- ensure staff training needs are identified and met;
- use behaviour records to target and assess interventions;
- Support teachers in managing children with more complex or challenging behaviours.

The children will:

- be listened to;
- treat others as they would like be treated i.e. fairly and with tolerance and respect for other's views and rights;
- accept responsibility for their own choices and actions;
- be given opportunities to show responsibility and time to reflect;
- Understand and endeavour to respect our three rights; the right to learn, the right to be safe and the right to be respected.

Children at Beaumont are expected to be polite and to show respect for other people and property. In class, children should show exemplary manners and join in the lessons to the best of their ability by listening carefully, answering and asking questions and by taking part fully in activities. At Beaumont, great emphasis is placed on positive reinforcement of behaviour through praise and the use of our Beaumont superhero characters/characteristics (See PSHE policy).

Children's confidence and self-esteem are developed through encouragement, incentives and rewards. Positive and constructive comments are given to children

verbally and sometimes at the end of children's work to recognise effort, improvement and achievement of targets set. Examples of rewards for helpfulness, kindness to others, positive attitude, politeness and effort in work include; recognition by staff, dojos, stickers, class points, and weekly awards in assembly linked to the superhero characters. (Each week the school will have a specific superhero characteristic focus E.G. resilience)

Rewarding positive behaviour

We praise and reward children for good behaviour in a variety of ways:

- deliberately and consistently catch children doing the right thing and praise children in front of others (praise in public);
- staff encourage children to recognise good behaviour / kind /caring attitudes in others in circle time and other class discussion situations;
- staff give children dojo points, the accumulation of which results in a variety of rewards, including visiting the Head teacher when 50 dojos have been collected.
- children collectively work towards class points, the amount determined by the class teacher.
- throughout school, the Good to be Green system of hierarchical consequences is implemented;
- School superhero characters are embedded into school life. Each week staff
 nominate a child from each class who has shown one of the chosen weekly
 characteristics e.g.; Motivated Mohammed, Resilient Ria, Teamwork Tom,
 Determined Dan, Perseverance Poppy and Aspirational Asha. The children
 receiving this weekly award receive a certificate, badge and their name is
 added to a role of honour.
- every half term there is a Full of Character Award which promotes being an all round role model for others,
- group or class exemplary behaviour is rewarded to develop a sense of community e.g. with **extra playtimes**, group or table rewards within classes;
- staff distribute dojos, stickers and certificates to children either for consistent good work or behaviour, or to acknowledge outstanding effort or acts of kindness in school.

Unacceptable behaviour

At Beaumont, we all have Three Basic Rights:

The RIGHT to Learn
The RIGHT to be Safe
The RIGHT to be Respected

Any behaviour that takes away these rights, from any individual, is deemed unacceptable.

Each class uses the "Good to be green" system in class which is incorporated with a stepped boundary approach. (See appendix A for further information about delivering this approach) All incidents should be logged on the CPOMS system and the appropriate staff and, if appropriate, parents informed. If a child continues to demonstrate unwanted behaviour and are regularly receiving a red card, further action will be taken and further sanctions will be given (See Appendix C) Incidents of a serious nature must be recorded onto the CPOMs system and the Headteacher, Deputy Headteacher and SENCo must be informed.

- If a child receives a red card during the week, they will receive a consequence e.g. Learning for Life/Meta Missions or a playtime/lunchtime.
 Parents will be informed.
- If a child repeatedly demonstrates low-level behaviour and receives three yellow warning cards in a week, they will also miss Learning for Life/Meta Missions or receive a consequence e.g. stay in at lunchtime.
- The system is hierarchical. The only time a child moves straight to a red card is if they are displaying dangerous behaviour.
- Children can moves back to green if they are on a blue or yellow card when displaying the appropriate behaviour, which encourages children to choose the right choices.
- Spot checks will take place throughout the week and if the whole school are on green, three bells will ring whole school celebration.
- Please note, if particular pupils are not engaging with the good to Green system they will move to a personal behaviour plan if appropriate.

Pupils with Special Educational Needs and/or Disability (SEND)

We promote consistently high standards of behaviour and provide support to ensure all children can thrive at Beaumont including pupils with SEND. Some behaviours are more likely to be associated with particular types of SEND and as such, the graduated approach of assess, plan, do, review will be implemented if a child is on the SEND register. If a pupil has an Education, Health and Care plan the school will follow the provisions set out in that plan.

Bullying

The school has a separate anti-bullying policy.

Role of Parents/Carers

Parents/carers play a crucial role in supporting the school's behaviour policy and should encourage the reinforcement of the policy at home. As in all other aspects of school life, home/school liaison is very important.

Parents will receive regular feedback on their child's behaviour in school via the dojo app. This demonstrates Beaumont's commitment to praising the positives and ultimately helping parents to see that we treat children fairly and positive behaviour is celebrated.

It is important that staff can depend on the full support from parents when dealing with their children's misbehaviour, remembering that, ultimately, we both have the best interests of children at heart. Parents will be informed and included in discussions about their child's behaviour.

We expect parents:

- to keep us informed of behaviour difficulties they may be experiencing at home, we will work with parents to help the child;
- inform us of any trauma which may affect their child's performance or behaviour at school e.g. a death in the family, divorce, changes of family circumstances;
- inform us about their child's ill health and any absences connected with it;
- to support us enforce our behaviour policy.

To support parents the school will endeavour to achieve good home/school liaison by:

promoting a welcoming environment within the school;

- giving parents regular constructive and positive comments on their child's work and behaviour;
- keeping parents informed of school activities by letter, newsletter, Twitter pages, website, texting, dojos etc;
- Involving parents at an early stage in any behaviour problems.
- Providing opportunities for parents to share concerns
- Sharing issues sensitively at staff meetings and regular meetings with our lunch time supervisors, to enlist full staff support.
- being approachable at all times.

Role of Governors

To support the Headteacher and staff in implementing the positive behaviour policy of the school.

Responsibilities of Lunch Time Supervisors

See Appendix B for an outline Guidance for Referral and Hierarchy of Behaviours for lunch time supervisors further Guidance is also available in the Playground Procedures document.

Levels and Types of Inappropriate Behaviour and Responses/Consequences

Level	Behaviour	Consequence
Part of general classroom management	Being noisy, teasing, pushing in, running inside, interrupting the teacher, attention seeking, being rude, arguing back, telling tales, clowning around, squabbling, play fighting, avoiding work, wasting time.	Stop and think card/remind in private
2. Persistent Low Level Part of general classroom management.	Persistent above behaviours and/or rudeness, graffiti on books or elsewhere, spoiling others' games, name calling, lying, hindering others from working, swearing. In trouble at dinner times.	Warning card given. Discuss noticed behaviour. If behaviours continue, a red card is given and child received consequence.
3. Severe behaviour Requires formal involvement of senior staff because of its intensity or frequency.	Graffiti/vandalism, racial abuse, rudeness to staff/pupils, kicking, hitting back, stealing, refusal to follow instructions, swearing, fighting, being uncooperative, running out of school.	Child straight to a red card. Parents informed. Removal from class possible internal exclusion. If behaviour persists child given IBP/short term targets and added to SEN register. Outside agency support may need to be accessed. Possible temporary exclusion.
4. Extreme behaviour Requires immediate removal from the classroom and dealt with immediately by a member of the senior leadership team.	Vicious kicking, biting, physical and verbal abuse to staff/pupils. Leaving school and failure to respond to reasonable requests to return. Extortion, dangerous refusal to follow instructions.	Immediate removal from the classroom and other children, to member of SLT. Possible use of physical restraint. Urgent consultation with parents and Behaviour Support Team and other relevant agencies. Possible fixed term exclusion depending on severity. Severity may result in permanent exclusion using the relevant policy.
