

Beaumont Primary School

March 2023 Newsletter

Beaumont Primary School Vision

The Beaumont family endeavors to create a love of lifelong learning, grow healthy resilient minds and develop aspirational future citizens. Our children will make a difference by leading by example, showing tolerance and compassion within a diverse world and being an active and valuable part of society.

Welcome back!

The children have had a lovely half term break and have come back rested and ready to learn! Please remember to tweet any learning that is taking place at home or in the holidays, so that we can see what you have all been up to!

World Book Day 2023!

What a hugely successful day we had! First of all, I would like to thank parents/carers for their continued support with the events we hold at Beaumont. The children had a truly fabulous day and their outfits were great! This wouldn't happen without the support and enthusiasm and dedication from wonderful parents, so thank you.

We started the day with a whole school assembly where we talked about remembering the first book we read. We discussed our favourite places to read, and we listened to a story being read aloud by one of the World Book Day authors. Towards the end of the assembly, we looked at a selection of outfits from every year group. We had a Harry Potter, a Tiger Who Came For Tea, a paleontologist, an evacuee, a Paddington Bear and many, many more!

Throughout the day, children read lots of stories, including I Don't Like Books. Never. Ever. The End by Emma Perry and Luna Loves Library Day by Joseph Coelho. For one session, the teachers swapped and read one of their favourite stories to another class, which the children absolutely loved. Before home time, we had a reading buddy session. It was so lovely seeing children of different ages sharing stories together, and I have heard that this was a lot of children's favourite part of their World Book Day.

Beaumont is a reading school!

Keeping Children Safe

Staff have completed Cyber Security Training!
This helps us keep everyone's data safe!

Parent Partnership

Join us at the Spring term parent forum meeting on Tuesday 28th March at 8.45am in school!

Your voice matters and together we can make school the best it can be!

Governor Impact

We now have an attendance governor who helps Mrs Postle think about how we help to raise the attendance of children. This will ensure they are getting the education that they deserve.

The attendance governor is Mr Knowles.

PSA Event

We have a very exciting event coming up on Wednesday 29th March from 3.00pm—4.30pm... The children will have the opportunity to watch a magician in school and have a treat bag! The cost of this exciting event will be £6.50. If you would like to purchase a ticket for this event then please go to the Shop section of the Parent app. The closing date to buy a ticket is 23rd March. Please see poster attached to newsletter.

Please note, all clubs will be cancelled on Wednesday 29th March due to staffing this event.

Beaumont 50th Birthday

Beaumont celebrates its 50th birthday on 3rd May and we are launching a competition to win a very special Beaumont Bear 50th birthday edition! We would like you to design and create something to celebrate Beaumont school being 50 years old! It may be a painting, drawing, sculpture, model, and it might be 2D or it might be 3D, it is up to you! Be creative and perhaps think about Beaumont through the decades or what our Beaumont badge represents. You might want to think about what the school means to you, or think about what the building looks like and recreate it. We would like all entries to be handed in on Tuesday 2nd May. A very special visitor will be coming into school to judge the entries and a child from each class will win a special Beaumont 50th Bear!

All entries will win a prize for entering! Good luck!

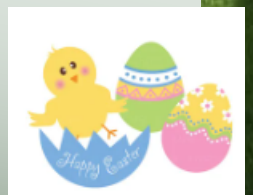

Spring Term Dates for your Diary

Week beg 13/03/23	Science week at Beaumont
Tuesday 14/03/23	Year 2 Wheels in School Day
Wednesday 15th March	Partial Strike Day—see letter for details
