

Beaumont Primary School

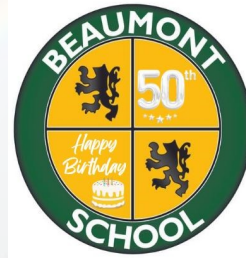

March 2023 Newsletter

Beaumont Primary School Vision

The Beaumont family endeavors to create a love of lifelong learning, grow healthy resilient minds and develop aspirational future citizens. Our children will make a difference by leading by example, showing tolerance and compassion within a diverse world and being an active and valuable part of society.

We have had a very busy Spring term and the children have enjoyed lots of first hand experiences, trips and visitors into school.

Beaumont's 50th Birthday Celebrations!

Beaumont celebrates its 50th birthday on 3rd May. During that week, there will be lots of exciting things happening in school to commemorate this special event!

Tuesday 2nd May

Beaumont Birthday creative competition - We would like you to design and make something to celebrate Beaumont's 50th birthday. It might be a painting, drawing, sculpture or model. This is to be handed in on **Tuesday 2nd May**. A winner will be chosen from each class and will receive a special Beaumont 50th Bear!

Wednesday 3rd May

- Children exploring the history of Beaumont across the day.
- Grab a bag picnic lunch outside (weather permitting)
- Exhibition of competition entries.
- Beaumont commemorative birthday badges given to every child!

Thursday 4th May

- Beaumont through the decades production - Buy a ticket and come along to watch all the children perform in a birthday celebration show! We will have two shows available with two tickets per family! Tickets will go on sale after the Easter break.
- Raffle winner will be announced. (To win a Beaumont Bear!)
- Competition winners will be announced.

Keeping Children Safe

A full audit of the safeguarding procedures has been carried out.

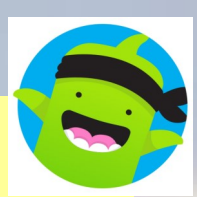

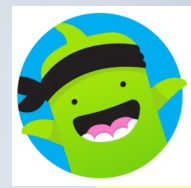

Both a practice evacuation and Invacuation has been carried out and children have been wonderful when following instructions.

Parent Partnership

A parent forum has been held and the minutes will be distributed on Parent app and uploaded on our website.

Governor Impact

A full Governors' meeting has been completed. Governors challenged school leaders with care to ensure the best possible education for the children at Beaumont. One example of impact from the last meeting was that governors requested a more detailed picture of behaviour across school, by specific categories being reported and monitored.

Healthy Lunches!

Beaumont School is a healthy school. We have been noticing more and more unhealthy choices in packed lunch boxes recently. Please ensure your children are provided with healthy food and snacks such as; fruit, vegetables, yoghurts, cheese etc...

We need to avoid chocolate bars, crisps, sweets. Miss Sullivan and her School parliament team will be completing spot checks of lunchboxes on the hunt for children making healthy choices! They will receive a special token! This can be converted into ten extra dojo points!

Parent Governor Application

Please see Parent App for the letter about applying to be a Parent Governor. It is very rewarding and we always have sandwiches!

A HUGE THANK YOU

Mrs Lhaki has ended her term with us as a parent governor. We wanted to thank her for her continued support, time and effort over the last number of years! We really do appreciate it!

Thank You

Staff Changes

It is with enormous sadness that we will be saying goodbye and good luck to Mrs Bennett and Mrs Thomasson in our school office at the end of the Summer term.

Mrs Bennett has been an **amazing** School Business Manager and the school runs with precision and like clockwork because of her efforts.

She has worked at our school for 11 years and it will be an extremely difficult position to fill as she knows our school inside out! I am sure you will all join me in wishing her the best of luck in her new adventure moving to the other side of the Pennines.

Mrs Thomasson has been at this school for 22 years. She has had a number of roles including being a Teaching Assistant in classrooms, teaching French to children and of course in her current role in the office. Not only does she have full commitment to her role, she always has a smile and kind words for the Beaumont family. We wish her well in her retirement, and I know she will be popping back to say hello whenever she can!

This is the end of an era for our school office, and I know you will all join me in wishing both these special ladies all the best for their futures.

Good luck!

Special Times in our Community Calendar

Lots of our families are participating in the holy month of Ramadan. The children have helped to create a special display in the entrance of school, some classes have made Ramadan cards or had the chance to whilst others have been learning about Islam through Religious Education in lessons. The home learning 'curiosity question' will be a set task that will give some children an opportunity to be chosen to share their understanding of this special time in assembly after the Easter Break. We have tried to arrange for an Imaan to come into school to lead an assembly but without any luck. If you have a contact or someone who would be willing to do this—please contact the school office. Furthermore, as we know this is a special time for lots of our children, we will celebrate on Monday 24th April, with an Eid party in school time. We will have an afternoon of celebration and have the opportunity to make Eid cards to share with friends and family. We feel that as a multicultural school, we need to learn about everyone's religion to show tolerance to others, share wonderful special moments with each other and remember that we are a part of a great mix of people who we are lucky to have around us!

Summer Term Dates for your Diary

Monday 17th April @8.30am	Summer Term Begins
Tuesday 18th April @8.40am	PSA meeting
Weds 19th—Thursday 20th April	Year 6 Bikeability sessions
