

# Beaumont Primary School

## End of Term Newsletter July 2023

### Beaumont Primary School Vision

**The Beaumont family endeavors to create a love of lifelong learning, grow healthy resilient minds and develop aspirational future citizens. Our children will make a difference by leading by example, showing tolerance and compassion within a diverse world and being an active and valuable part of society.**

### **Moving on moving up event**

Thank you to everyone who attended the disco this week! It was a massive success and we raised lots of much needed funds for our school. This comes on top of the amazing summer fair that was held on 8th July, which raised over £1600! Thank you to everyone who came and enjoyed the event! A massive thank you to our PSA who have worked so incredibly hard this year and held a variety of events for your children to enjoy!

### **Moving on up!**

This week, the children enjoyed an opportunity to move up to the next class in preparation for September! They met their new teacher and teaching assistants, and enjoyed spending the morning in their new classrooms!

### **Super Stan stars!**

A massive well done to our year six children for their excellent performance last week! The children showed tremendous stage presence and their acting and singing was fabulous! Well done!

### **Beaumont Does Have talent!**

Congratulations to all the children who took part in Beaumont's Got Talent on Monday in school! We celebrated the very best of what Beaumont children have to offer! Pianists, singers, dancers! It was AMAZING! Well done to all who took part!

### Keeping Children Safe

100% pupils said that they feel safe at school on the Pupil Survey that was carried out last week!

### Parent Partnership

Summer term parent forum was held last week and the minutes were sent via the Parent App and have been uploaded on to our website. Thank you to all who came along or sent comments and questions. Your voice matters!

### Governor Impact

The Governors attended their annual Governor Day in school on Thursday 13th July. They spent the morning in classes with the children looking at Beaumont in action and then discussed what an extremely successful year it has been!

### **Good luck!**

This morning, we said our goodbyes to our wonderful Year six class! They performed an end of year assembly attended by their family and friends. This class have worked incredibly hard and have not only produced some amazing end of year results, but have also shown perseverance and resilience! We know they will go onto their new schools and continue to shine! Well done year six from all your Beaumont family—we will miss you!

Today, we also said goodbye to Mrs Thomasson and Mrs Bennett. We would like to wish them lots of happiness on their next adventure and thank them for all their hard work and dedication over the years! We will miss you both!

Children are at the heart of everything we do!

Sign up when we return in September!

I wanted to take a moment to express my heartfelt gratitude for your unwavering support throughout this past academic year. The remarkable results we have achieved together are a testament to the strong partnership between parents and the school. I truly believe that this year has been our most successful yet, and it is all thanks to our collective efforts in keeping "Children at the Heart of Everything We Do!"

Your dedication, involvement, and collaboration have made a tremendous impact on our children's growth and development. By working together, we have created an environment where our children can thrive, learn, and excel. Your active participation in school activities, meetings, and events has been instrumental in creating a nurturing and enriching educational experience.

As we approach the summer break, I encourage you all to make the most of this well-deserved time off. May it be filled with joy, laughter, and memorable activities that create cherished moments for your family. It is through these shared experiences that we build strong bonds and create lasting memories.

I also want to take this opportunity to extend my heartfelt appreciation to our hardworking staff at Beaumont. Their dedication, passion, and commitment to the Beaumont Family is evident in every interaction, lesson, and activity. They go above and beyond to ensure that our students receive the best possible education and support. I am grateful to have such a dedicated team of educators and support staff who make each day at Beaumont truly special.

Looking ahead, I am already filled with anticipation for the upcoming academic year in September. With your continued support and the dedication of our staff, I have no doubt that we will achieve even greater success. Together, we will continue to provide a nurturing and stimulating environment for our children's growth and development. Once again, thank you for being such amazing partners in education. I wish you all a wonderful summer break and look forward to seeing you in the new academic year. Mrs Postle.
