Beaumont Primary School Vision

The Beaumont family endeavors to create a love of lifelong learning, grow healthy resilient minds and develop aspirational future citizens. Our children will make a difference by leading by example, showing tolerance and compassion within a diverse world and being an active and valuable part of society.

PSA

You will already have received a letter from the children at Beaumont to convince you to be a more active part of the Parent School Association. In these hard financial times, we need more funds from events that the PSA run to enable us to get to a position whereby we can afford the extras for our children. So please think about how you can help the PSA grow and be really successful.

Welcome to the team!

We have two new governors in our Governing body.

Parent Governor is Mr Aljilani, Sophia and Amelia's dad.

Our new Co-Opted Governor is Mrs Atcha, who is Noah's (Y1) mum.

Goodbye & Good Luck!

We want to wish our Sport's Coach, Mr. Chadwick, lots of luck in his new role at a local Leisure Centre. We would like to thank him for all his hard work and commitment to sport and the children at Beaumont! The children and staff will miss you very much when you leave towards the end of June.

Keeping Children Safe

All staff who work with children have just completed the 'Annual Certificate for On line Safety' this week.

Parent Partnership

Thank you to all the parents who helped their children design a piece of creative artwork to celebrate Beaumont Turning 50!

You are a very creative bunch!

Governor Impact

Governors have been invited into school to see learning in action. They have visited classrooms, talked to pupils and soaked up the enthusiasm of our wonderful children.

Governors have also been involved in the recruitment of a new School Business Manager. The new SBM will be joining us in late July along with a clerical assistant who has not been appointed yet.

Children are at the heart of everything we do!

PSA Summer Fair!
