Ofsted Report Highlights

Keeping Children Safe

Our Ofsted Report shows we have no areas for improvement with regards to safeguarding. A fantastic result!

Parent Partnership

Parent Forum was very interesting and we talked about lots of important issues. Please click the link to read the minutes.

Governor Impact

Governors were praised in our recent Ofsted report: *Governors focus sharply on helping the school to continue to refine the quality of education that pupils receive. Staff, parents, pupils and governors were all included in creating the school's ambitious vision of a community where everyone works together. Everybody involved feels incredibly proud and lucky to be part of the school.*

Congratulations!

Beaumont Primary School

We are extremely proud to win 'The Bolton News School of the Year'. We strive continuously for the children of this school, and it is wonderful to receive this recognition. Thank you to all who nominated us!

Harvest Collection

We collected food donations for our Harvest Collection and were donated to Urban Outreaches Winter Project - helping homeless people and deprived families during these cold winter months.

On Monday morning, we had a very special guest joining our Assembly - Sir Dave Bagley himself from Urban Outreach to give the children information about they do and why, along with a very funny interactive story that all the children joined in with and enjoyed.

Thank you to everyone who donated food items.

School Parliament Trip to London

Our School Parliament team headed to London last week. They started early meeting at school at 5.25am but they were wide awake and ready for their day of learning in London where they visited the Houses of Parliament and Buckingham Palace.

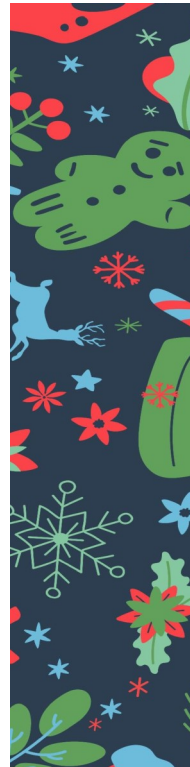

What an amazing day we've had. We are on our way back now. Thank you so much, Miss Sullivan, for organising such a memorable day!
