Summer Term 1 2024

parents@beaumont.bolton.sch.uk

Vision Statement

The Beaumont family endeavors to create a love of lifelong learning, grow healthy resilient minds and develop aspirational future citizens. Our children will make a difference by leading by example, showing tolerance and compassion within a diverse world and being an active and valuable part of society.

A Message from Mrs Postle

I hope your Easter break was filled with laughter and happiness!

The children have come back to school eager to learn and ready to enjoy a term of learning.

Thank you for your continued support on attendance, uniform and home learning. By supporting us with these valuable aspects of school life, it teaches your children to be responsible and develop skills needed for life.

Places available in Year 1

We currently have 2 places available in Year 1. If you know any family, friends, or members of the community that are looking for places for their child they need to go to

<https://www.bolton.gov.uk/admissions>

World Book Day

World Book Day is always one of our favourite days of the year and this year was no exception.

Book character outfits looked fabulous, vocabulary costumes were as creative as ever and many of us chose to come to school in our comfiest pyjamas and dressing gowns! Showcasing these in assembly was a brilliant start to the day.

Reception held a Book and a Biscuit session with parents, Ladybridge High School students came and read to children in the hall. Also, class teachers went into a different class and read their favourite book.

BeaumontYear6

@BeaumontYear6

WE ❤️ WORLD BOOK DAY! @Beaumontprimary

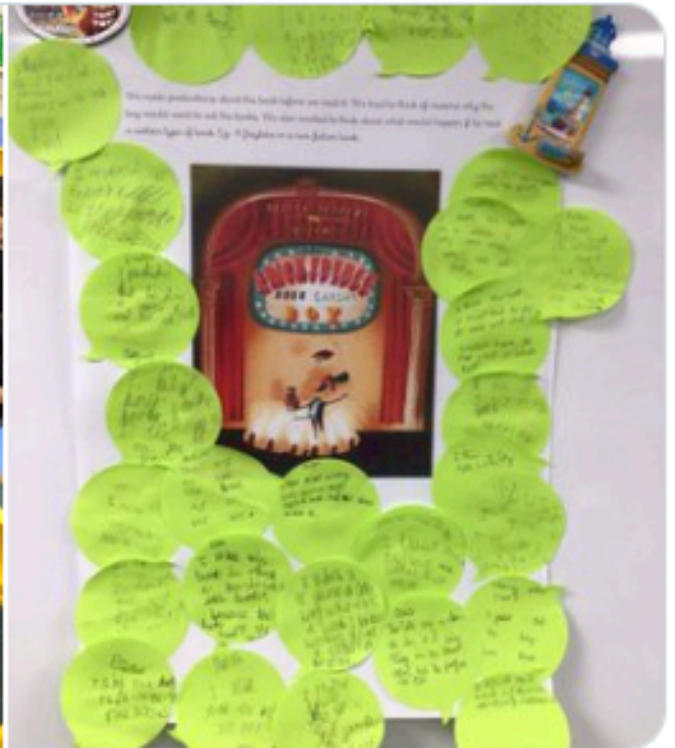

BeaumontYear2 @BeaumontYear2 · Mar 7

Happy World Book Day from Year 2. We started the morning by making predictions about 'The incredible book eating boy.' #WorldBookDay2024 #beaumontReading

BeaumontYear3 @BeaumontYear3 · Mar 7

We absolutely loved reading with Ladybridge High School pupils this morning as part of World Book Day. 😊 📖 #WorldBookDay2024 @LadybridgeHigh

BeaumontYear5 @BeaumontYear5 · Mar 7

...

Happy World Book Day, Beaumont! We have come dressed as our favourite book characters, exciting vocabulary and our comfiest clothes and pyjamas!

BeaumontYear6 @BeaumontYear6 · Mar 7

...

🍷🍷🍷 Happy World Book Day from Year 6 🍷🍷🍷

We hope our families had a safe and blessed Ramadan. In school children enjoyed the displays and Year 6 Spoke about the holy month of Ramadan in our assembly.

Beaumont Primary School @Beaumontprimary · Mar 11

Look at our wonderful display to celebrate the holy month of Ramadan.

Celebrating Eid

We hope our families celebrating Eid enjoyed this special time of year and had a blessed Eid filled with happiness, prosperity and good health.

Today, children are celebrating Eid with a party and have been treated to a small bag of sweets.

Thank you to Anas, Dannyal and Faizan (from yer 6) for making all the sweet bags for each child, including a special label for each bag.

Easter Bonnet and Easter Display Competition

Click on the posttop post below to go to the video

Beaumont Primary School @Beaumontprimary · Mar 28

Look at these wonderful eggsta wonderful designs!

Beaumont Primary School @Beaumontprimary · Mar 28

Our Easter Egg competition has been a huge success. Our Eggstra special guests, Mrs Grainger and Miss Wilkinson, have enjoyed choosing the eggcellent winners! Thank you to all who took part! 🐰 🥚 🐣 🐰 🥚 🐰 🐣

Bolton Steam Engine Grand Opening

Beaumont Primary School @Beaumontprimary · Mar 15

We had a wonderful day at the grand opening of Bolton Steam Engine. We met Frank and Ginger who have worked tirelessly to enable this iconic Boltonian landmark to be working again! #teamBolton @boltoncouncil @TheBoltonNews @BoltonFM

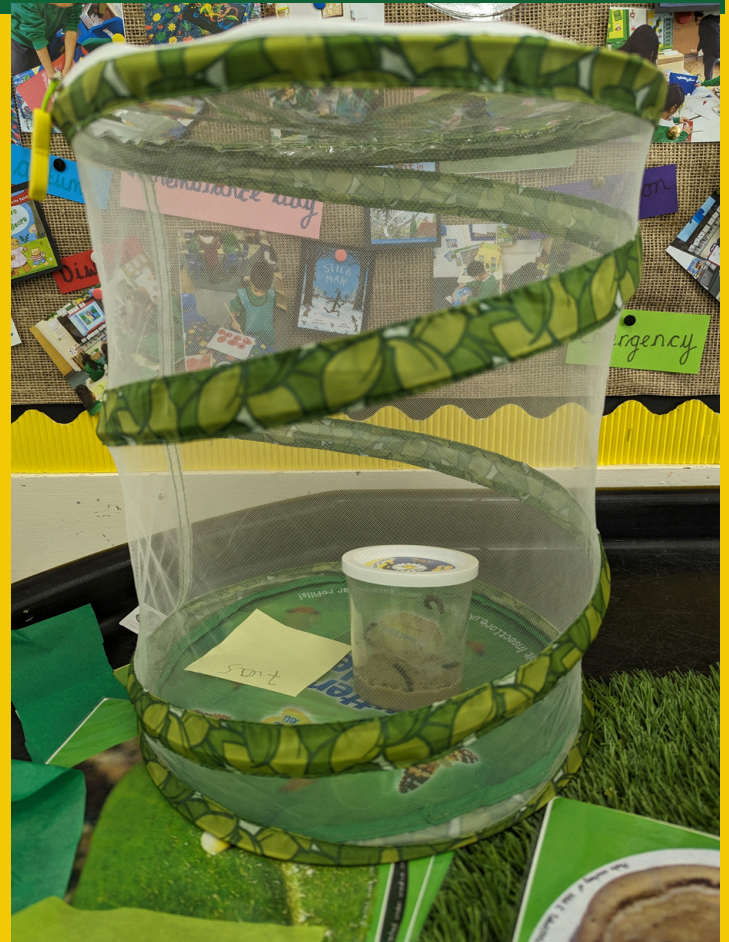

Reception treated to living eggs!

Our Reception class received a delivery of living eggs this week of caterpillars and chickens! It has been very exciting, and not just for Reception children but the whole school and staff.

The eggs were looked after in an incubator until they were ready to hatch. We were then treated to them hatching and are now enjoying looking after them now.

We are still waiting for the butterflies to take flight, but the children are having fun and learning lots.

Mrs Suresh has kindly offered to look after them this weekend, so thank you,

Anderton Centre

Outdoor Learning & Activities

Year 6 had a fantastic time on their residential trip at the Anderton Centre.

We arrived on Monday afternoon and went straight into activities including tree climbing, low ropes and traverse wall. All were physical challenges that required a combination of teamwork, skills and commitment.

In the evening, we took part in lots of games with the focus being teamwork.

Tuesday brought a full day of activities which started with crate stacking and archery, which we all enjoyed. We made our way on to the water in the afternoon for paddle boarding, the rain didn't deter us from having a good time, and some very brave children even jumped in and swam!

In the evening we enjoyed Bushcraft activities which included den building and roasting marshmallows.

Our final day saw us back on the water on the rafted open canoes as we rowed out to Liverpool Castle. We all had a brilliant time.

BeaumontYear6 @BeaumontYear6 · Apr 15

Traverse wall climbing, low ropes and tree climbing 🧗🏻 followed by a delicious meal before our team games this evening 😊

BeaumontYear6 @BeaumontYear6 · Apr 16

A super successful day one! We can't wait to see what today brings! 🌳 🍷

BeaumontYear6 @BeaumontYear6 · Apr 16

Archery in the sunshine this morning ☀️

BeaumontYear6 @BeaumontYear6 · Apr 16

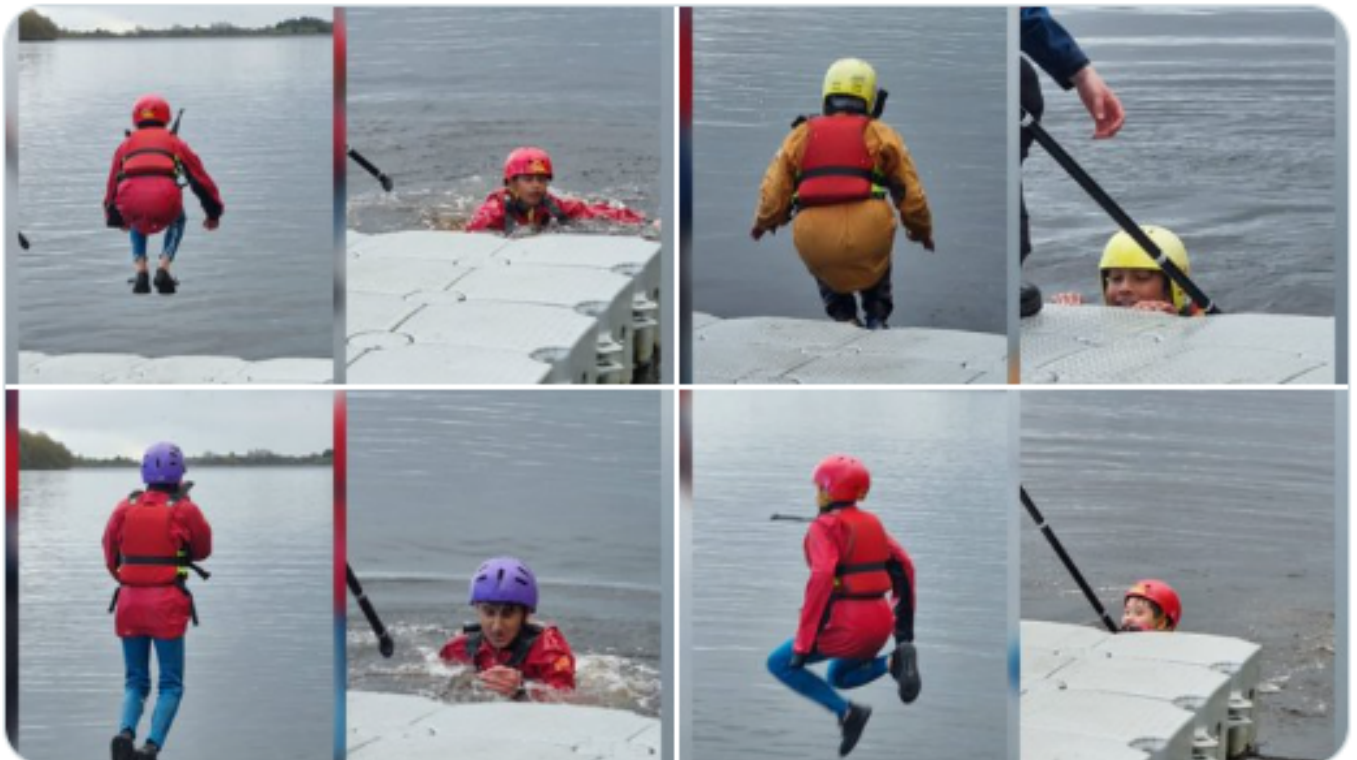

We are so excited for paddle boarding this afternoon!

BeaumontYear6 @BeaumontYear6 · Apr 16

Brave Beaumonters jumping in! 🌊

BeaumontYear6 @BeaumontYear6 · Apr 16

...

A wonderful evening of den building, fire starting, roasting marshmallows and visiting the tuck shop. Finished by watching the Bolton game / spending time with our friends.

We can't wait for our last day tomorrow!

BeaumontYear6 @BeaumontYear6 · Apr 17

...

Our last activity of our fabulous trip! 🌞🚣🌊

PSA Science Party

The children, staff and volunteers that attended the Science Party had were very excited and were not disappointed.

They were treated to lots of amazing science from plasma balls, experiments with fire, magic tricks and sound travel!

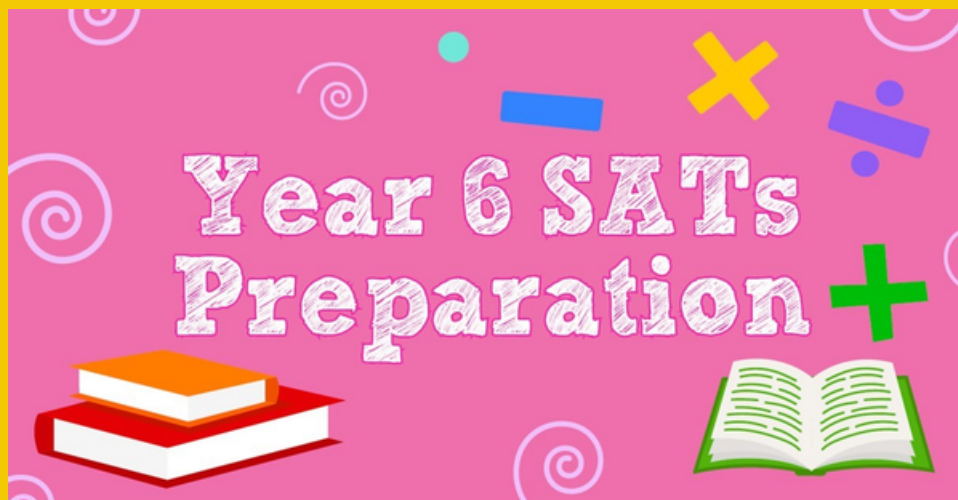

Some children had the opportunity to do the experiment themselves, and our scientist even got Mr Mcloughlin up to take part with the Magic Cup Trick!

Everyone had such fun and each child was given a bag of treats to take home with them.

The PSA raised more than £500 towards new student technology.

Thank you.

Year 6 SATs are fast approaching, and it is important for the children to not only be prepared to apply their knowledge in their tests, but also that mentally they have the best possible mindset, and this is where you can help.

- Revision - make sure that your child is given the time, space and support they require at home to complete their revision.
- Talk to your child and make sure they feel they are fully prepared and work with them if they feel they have any gaps in their learning. If you are unsure about anything speak to Miss Ruscoe.
- Try and ensure you don't make it a big deal. Make no mistake, SATs are important. They help prepare your child for the more formal teaching and more frequent testing of secondary school. They may also be used by your child's next school to decide which sets your child will be in and they can help build or break your child's confidence. Your child will be aware of how important they are, so make sure that at home you create a relaxed atmosphere around the subject of SATs.
- Make sure that your child is well rested and not having any late nights in the run up and during the exams - feeling tired restricts your memory retention and application of learning.
- Make sure they are at school in plenty of time - **THEY CANNOT BE LATE.** Being late not only causes stress for your child, but can also disturb the rest of the class before or during the exam, and that is not fair.
- Make sure they have eaten a good nutritious breakfast too!
- Most of all, tell them you are proud of them and encourage to be the best that they can be!

Kindness Fund Launch

Monday 22nd April

On Monday we are launching our Kindness Fund and you receive a message vis the ParentApp and/or email.

We are introducing this fund because school budgets are very tight, and the rise in the cost of living has affected school budgets even further. However, as a school we still want to be able to provide our children the high quality support, facilities and resources to enhance their learning. The Kindness Fund will, hopefully, be able to help us still provide some of these resources that are becoming unaffordable.

The Kindness Fund will enable parents, carers, friends, family, staff and the community to contribute to our school with either a regular standing order or one off payments whenever they can.

With its own dedicated bank account, we will be able to keep you updated with what the contributions are spent on through the year.

As always, your kindness and support is always very much appreciated - every little helps.

Beaumont Primary School

Children are at the heart of everything we do

Beaumont PSA Summer Fair

Saturday 15th June 11am - 2pm

This year's Summer Fair is on Saturday 15th June. The PSA and School are working hard to make this day full of fun activities, games, stalls, tombola's, raffles and delicious food for the whole family. We really hope you can join us on the day.

We will need volunteers on the day, so please let Jo in the office know if you are able to volunteer on the day to help set up, supervise areas and/or pack up at the end of the day.

In the run up to the Fair, we will be having non-uniform days in exchange for prizes, chocolate and cakes:

- Friday 3rd May - chocolate
- Friday 14th June - cakes
- Friday TBC - raffle prizes

£25
per table

Would you like to have a stall at our outdoor fair?

Contact office@beaumont.sch.uk for more info

WENDOVER DRIVE, BL3 4RX

Governor Corner

Susan Leach is our Chair of Governors

This week we hear from Susan about what governors do, and as a member of the Beaumont family for the past 30 years we thought it would be nice to find out more about her.

What governors do:

The full board of Governors meet once a term to discuss all elements of the school.

In addition to meeting as a full board, there are also two more boards that meet once a term - Curriculum Committee and the Finance and Resources Committee.

During these committee meetings we discuss for example, pupil assessment data, attendance data, review our spending plans, health and safety and staffing. We also review and authorise policies and look at school as a whole.

We have very productive meetings where we hope to bring what our parents and children want and need at Beaumont School.

Governor in the Spotlight - more about Susan

I have been part of the Beaumont family for the past thirty years. I worked in a school as a Nursery Nurse then as a Senior Teaching Assistant (Level 4) for 22 years.

I have been a governor here for 8 years and Chair of Governors for the last 3 years. I feel very privileged to be part of this amazing school where children are at the heart of everything we do. Since being on the Governors I have worked with the most amazing group of people who all have one thing in common the good of the children at Beaumont who are at the heart of everything we do.

I have one grown up child who has now given me and my husband an amazing grandson. I love to read and watch crime detectives stories. I like all kinds of music but must admit I am still a huge Take That fan!!!!

Beaumont Primary Parent Staff Association

Donut Friday

£1.50 PER DONUT

FRIDAY 1ST MARCH AFTER SCHOOL
To raise money for school iPads

Donut Friday

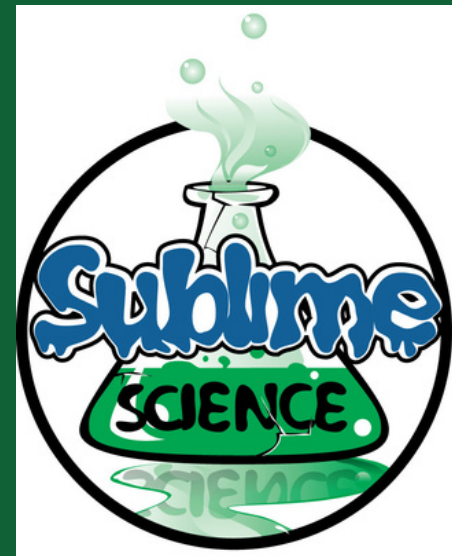

We'd like to thank you for your continued support, the PSA managed to raise a massive **£200.00!!!**

Thank you so much to Cha Cha Chai's for providing all the donuts.

Science Party!

Hopefully the children loved the Science Party on the last Wednesday. Thank you to all the children that attended, they were impeccably well behaved.

We managed to raise a total of **£506.29!** towards new technology for our children.

The PSA organised a treasure hunt for over the spring break around Ladybridge, and managed to raise £33.00.

Every entrant that returned their completed sheet was given a We also had a draw for the big prize - Grow your own furry hedgehog wildlife garden - and the winner was.....

BAG 2 SCHOOL

Bag2School - A fun, free and easy way to [raise funds](#).

We raised a magnificent £168 today with the collection of bags.

That is amazing! Well done and thank you everyone.

We hope you enjoyed the Well Done cookies that were available to buy during the Parent Conference Meetings.

We managed to raise a total of £152.99 towards new technology for our children.

So far this academic year we have raised:

- September - £88.00 - Hot Dog Friday
- October - £983.00 - Magic Show, Well Done Cookies and Manchester Half Marathon
- November - £1,848.26 - Rainbow raffle, non-uniform day and Winter Festival
- December - £263.95 - Christmas Shows
- February - £397.98 - Movie Afternoon
- March - £1,027.28 - Donut Friday, Well Done cookies, Science Party and Bags 2 School

Friday 3rd May

easyfundraising

Your cause

Your cause has raised...
£398.93

While you spend money shopping online, retailers will donate to Beaumont Primary School PSA! The PSA would like to share with you a nice and easy way that you can also support us without it costing you.

Easy fundraising is an online 'cashback' website where you log in, find the retailer you would like to shop with and then click on the selected retailer to be directed to the retailers website. Anything you buy, school will then receive a donation from the retailer. Even school purchases items from retailers this way if we can!

There are some big retailers: Argos, Amazon, Iceland, John Lewis, Tui, Booking.com, Morrisons, Boots, New Look, M&S, Hello Fresh, Ocado, Tesco, Microsoft Store and so many more (there are more than 8,000!)
<https://www.easyfundraising.org.uk/causes/beaumontprimaryschoolpsa>

Happy shopping. We'll keep you posted how much is raised and what any monies raised will go towards.

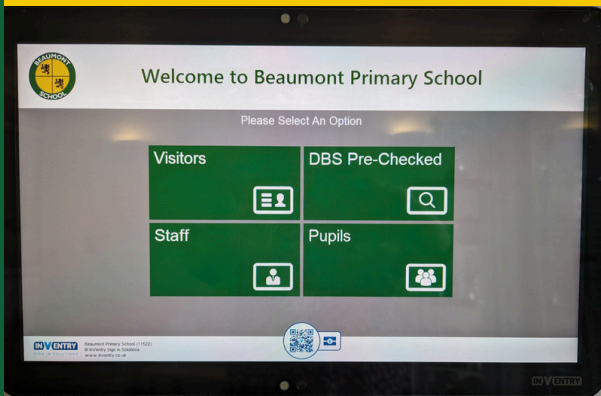

Thank you all for your continued support.

Safeguarding

Safeguarding in schools is essential to keep children safe and ensure that we uphold our duty of care. At Beaumont we strive to ensure that all our children remain safe and free from harm. There are many ways in which we ensure that this happens from compliance with local and national policies, child protection, online safety, safer recruitment, safeguarding checks, health and safety, first aid, managing medical conditions and wellbeing.

So far this year, all our staff and governors have read and understood the Keeping Children Safe in Education Policy, received safeguarding training, completed online safety training and are fully active in the multi-Agency response to Child Protection concerns. Mr Bowden, our Site Manager has completed asbestos awareness and working at heights. And three members of staff have received Paediatric First Aid training – Mrs Lloyd, Mrs Hunter and Mrs Toone.

Signing in

The signing in system we introduced in September, InVentry, is working really well for those children that come into school late. However, some of our children are signing themselves out instead of in, they are unsure why they are late or are not signing themselves in at all.

From now on parents and carers must sign their children in on the InVentry system and not the children.

Keep up to date

Make sure you keep up to date with

1. Class Dojo - ask your child's teacher if you don't already have access
2. Twitter - <https://twitter.com/Beaumontprimary>
3. Facebook - <https://www.facebook.com/BeaumontPrimarySchool>
4. Website - <https://beaumontprimaryschool.co.uk/>

Children flourish and are happy

The school is fiercely ambitious for all pupils.

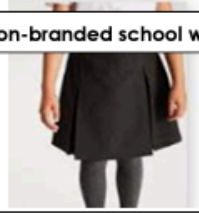

Uniform Policy

Mrs Postle is very keen that all children wear the correct uniform and our policy is followed. Click here for the full policy:

<https://tinyurl.com/mwmer5jk>

Children must come to school in their full uniform - on PE days they can arrive in school in their PE kit and trainers, and on non-PE days they must be wearing their school uniform and school shoes.

Our uniform policy reflects our values and reinforces our school's culture of high expectations and academic achievement. All pupils must dress according to the uniform policy. Our school uniform is important to us. It is one way in which we identify ourselves as a school community and it promotes a strong, cohesive identity which supports high standards and expectations in all areas of school life. It promotes harmony between different groups represented in the school, and it enhances security. Smartness and high standards of appearance are expected at all times.

Attendance Matters

Impact of absence:

We know that good attendance is a key factor in helping to ensure that children make excellent progress and fulfil their potential. To maximise your child's potential, they need to attend school every day.

Days off school soon add up and being absent from school makes it hard to avoid gaps in your child's learning, and results in them having to work harder when they return to catch up on their missed learning. Sometimes absence can't be helped - most children will be ill during the course of the year, require emergency appointments or have appointments that can't be moved to outside of school hours, however, **there are 175 non-schools days a year for holidays, appointments, cultural experiences and family time.**

190 days in school (in every day) 100%	185 days in school (1 week off) 97.4%	183 days in school (7 days off) 96%	180 days in school (2 weeks off) 95%	175 days in school (3 weeks off) 92%	171 days in school (19 days off!) 90%
Maximising your child's chance to fulfil their potential	Giving your child an excellent chance to succeed	Giving your child a good chance to succeed	Your child has less opportunity to succeed	Your child will struggle to catch up on their missed learning	Persistent absence will have a detrimental effect on your child's learning
		MINIMUM WHOLE SCHOOL TARGET			HEADTEACHER WILL MONITOR ON A WEEKLY BASIS AND REPORT TO GOVERNORS

Unauthorised Absence Fines:

Requesting leave of absence for your child(ren) may result in receiving a fine from our Local Authority, Bolton Council.

Bolton Council's criteria for issuing penalty notices and fines will be considered where a pupil has had 10 half day sessions, equivalent of 5 days (consecutive or otherwise), of unauthorised absence over the period of two consecutive half terms. The reason for this criteria is because:

- Headteachers need to strengthen sanctions for unnecessary absence from school.
- Increasing numbers of pupils are being classed as persistently absent.
- There is a significant increase in the amount of absence due to holidays in term time.

The Local Authority issue a fine of £60.00 per child for each adult living at the child's address, to be paid within 21 days. This increases to £120.00 within 28 days.
